Sitka Gold Corp. Appoints Dawson to its Board of Directors

VANCOUVER, CANADA – June 18th, 2019: Sitka Gold Corp. (CSE: SIG) (the “Company” or “Sitka”) is pleased to announce the appointment of J. Greg Dawson to its board of directors. Mr. Dawson is a successful mining professional bringing over 30 years of international and domestic industry experience with major, mid-tier and junior companies. The appointment of Mr. Dawson increases the Company’s board of directors from five to six individuals.

Cor Coe, chief executive officer of Sitka, stated: "We are very pleased to welcome Mr. Dawson to our board as Sitka Gold continues to grow as a company and advance its assets. Greg is a passionate and talented geologist who brings a wealth of experience having worked as a mineral exploration professional for over 30 years. His experience as an industry executive along with his successful tenure in various project management positions brings incredible value to our board."

J. Greg Dawson, PGeo, is a Professional Geologist with over 30 years of experience in the mineral exploration industry and is currently Director of Exploration with GroundTruth Exploration. He holds a BSc in geology from the University of British Columbia and an MSc from Queens University and is a registered Professional Geoscientist with EGBC. His work experience includes acting as Vice President, Exploration for Colorado Resources, President and Vice President, Exploration of Copper Ridge Exploration and serving as District Manager and General Manager with Teck Exploration Ltd. in Central Asia and South America. He also spent several years earlier in his career working for the Hunter Dickinson Group and its associated companies.

In addition, Sitka has granted 750,000 options to directors, officers, employees and consultants of the Company at a price of 12 cents for a period of 5 years. These options are subject to regulatory approval and are granted under the Company's stock option plan.

About Sitka Gold Corp.

Sitka Gold Corp. is a mineral exploration company headquartered in Canada and managed by a team of experienced mining industry professionals. The Company is focused on exploring for economically viable mineral deposits with its primary emphasis on gold and copper mineral properties of merit. Sitka currently has an option to acquire a 100% interest in the Adobe Gold property in Nevada, an option to acquire a 100% interest in the Burro Creek Gold property in Arizona and owns a 100% interest in its Coppermine River project in Nunavut and the Alpha Gold property in Nevada. Directors and Management own approximately 36% of the outstanding shares of Sitka Gold, a solid indication of their alignment with shareholder's interests.

ON BEHALF OF THE BOARD OF DIRECTORS OF
SITKA GOLD CORP.

Cautionary and Forward-Looking Statements

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. Forward-looking statements and information are often, but not always, identified by the use of words such as “appear”, “seek”, “anticipate”, “plan”, “continue”, “estimate”, “approximate”, “expect”, “may”, “will”, “project”, “predict”, “potential”, “targeting”, “intend”, “could”, “might”, “should”, “believe”, “would” and similar expressions.

Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are cautioned that reliance on such statements and information may not be appropriate for other purposes, such as making investment decisions. Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the expected timing and terms of the private placement, use of proceeds, anticipated work program, required approvals in connection with the work program and the ability to obtain such approvals. Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release. Readers are cautioned that the foregoing list of factors is not exhaustive.

The forward-looking statements and information contained in this news release are made as of the date of this news release and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the CSE. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.

The CSE has in no way passed upon the merits of the proposed transaction and has neither approved nor disapproved of the contents of this press release.
